

M = 150 mm. Materials: PV

104.255 MM
Ventilation remote control or shut-off

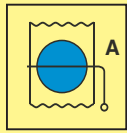

104.256 MM
Ventilation remote control or shut-off

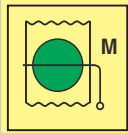

104.257 MM
Ventilation remote control or shut-off

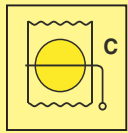

Fire dampers

104.260 MM
Fire damper

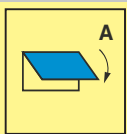

104.261 MM
Fire damper

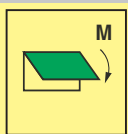

104.262 MM
Fire damper

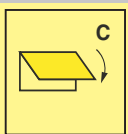

Closing device for ventilation

104.270 MM
Closing device for ventilation inlet or outlet

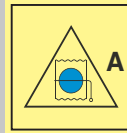

104.271 MM
Closing device for ventilation inlet or outlet

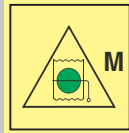

104.272 MM
Closing device for ventilation inlet or outlet

A - Accommodation and service M - Machinery C - Cargo

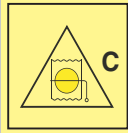

Remote controls

104.265 MM
Remote control for fire damper(s)

104.266 MM
Remote control for fire damper(s)

104.267 MM
Remote control for fire damper(s)

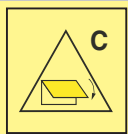

Remote controls

104.275 MM
Remote control for closing device(s) for ventilation inlet and outlet

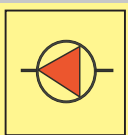

104.276 MM
Remote control for closing device(s) for ventilation inlet and outlet

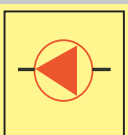

104.277 MM
Remote control for closing device(s) for ventilation inlet and outlet

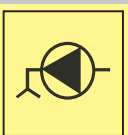

Fire Pumps

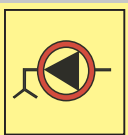

104.280 MM
Fire Pump(s)

104.281 MM
Emergency fire pump

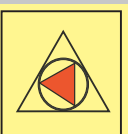

104.282 MM
Bilge pump

104.283 MM
Emergency bilge pump

Materials: PV = Photoluminescent vinyl
Size Codes: M = 150 mm.

Remote controls

104.285 MM
Remote control for fire pump(s)

104.286 MM
Remote control for emergency fire pump or fire pump supplied by the emergency source of power

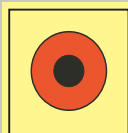

104.287 MM
Remote control for bilge pump(s)

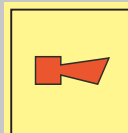

104.288 MM
Remote control for emergency bilge pump

FP - Fire pump EFP - Em. Fire pump BP - Bilge pump EBP - Em. Bilge pump

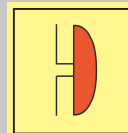

Alarm devices

104.300 MM
Push button / switch for general alarm

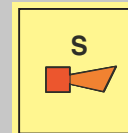

104.301 MM
Horn fire alarm

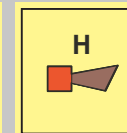

104.302 MM
Bell fire alarm

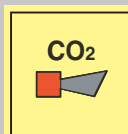

104.303 MM
Manually operated call point

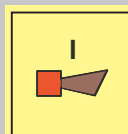

104.304 MM
Sprinkler horn

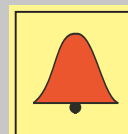

104.305 MM
Halon horn

104.306 MM
Halon horn

104.307 MM
Inergen horn

104.308 MM
Ships bell

104.309 MM
FM-200 alarm

104.310 MM
Light signal column (include fire alarm hornel. Type, dead man alarm)

104.311 MM
PA - speaker for alarms and information
